6. Bookings

ZEBRA ADVENTURES utilises a secure online booking system for all bookings, payments, and refunds. Bookings are only confirmed once payment is successfully completed. To increase the likelihood of successful bookings, clients are strongly advised to pre-arrange payment with their banks and notify them accordingly.

Please note that both US and UK banks tend to flag and block payments, particularly in the afternoon and evening, when larger amounts are involved. This precautionary measure could trigger a fraud alert, requiring you to contact your bank and confirm that the transaction is legitimate and related to travel. In such cases, you will need to call your bank, explain the nature of the payment, and request them to release the hold on your account. To minimise the risk of encountering these issues, it is advisable to make payments earlier in the day whenever feasible. Additionally, we recommend reaching out to your bank in advance to inform them about your upcoming travel-related transactions, ensuring a smoother booking process.

7. Travel Insurance

While travel insurance is not mandatory for our 2027 tours, we strongly recommend obtaining medical coverage for the duration of your stay in South Africa. Travel insurance that includes coverage for cancellation, curtailment, personal liability, illness, loss of luggage, and personal belongings is highly advised. Please ensure that your policy covers all activities listed in the itinerary. ZEBRA ADVENTURES does not arrange travel insurance; it is the sole responsibility of each traveller to organise their own coverage.

8. Fitness

Due to the nature of our itinerary, a moderate fitness level is required. We strongly encourage every person on tour to participate in all daily activities to enhance their group travel experience.

9. Flights

Flights usually open 12 months before your arrival date in South Africa. Once ZEBRA ADVENTURES receives your booking confirmation, you can expect to receive an email within 24 hours with airline suggestions. In the meantime, we would highly recommend you keep an eye on flight options and prices. February to April is peak season in Cape Town, and therefore prices will increase nearer the date, and availability may become limited. Please contact us if you need advice, we can refer you to our trusted travel agent; however, we do not get involved in the booking of flights, and ZEBRA ADVENTURES cannot be held responsible for any errors in the booking of your flights. ZEBRA ADVENTURES will not be responsible for any flight booking or cancellation of flights due to error, tour cancellation or any other event.

11. Medical Form

You will receive a basic medical form to complete roughly four months before your arrival in SA. If you have received any medical treatment or sustained any injuries within six months before you arrive in South Africa, we require a 'fit to fly' letter from your GP. This is to help you while in South Africa, as we do not want you to miss out on any of our exciting activities, and to keep up with a jam-packed itinerary.
